As you can see, not a single icon is displayed on the Mac OS X desktop. To display hard disks icons on the desktop, follow the below steps: Launch Finder from the Dock; Using the Menu bar, click on Finder then click on Preferences.. 8 To rename an icon in Mac OS X Lion, you can either click the icon's name directly (don't click the icon itself, because that selects the icon) or click the icon and then press Return (or Enter) once.
